

JFrame

```
graph BT; InfoLibro3 --|> JFrame
```

A UML class diagram illustrating inheritance. At the top is a white rectangular box labeled 'JFrame'. Below it is a gray rectangular box labeled 'es.deusto.spq.biblioteca.client.gui.InfoLibro3'. A solid blue arrow points vertically from the top center of the gray box to the bottom center of the white box, indicating that 'InfoLibro3' inherits from 'JFrame'.

es.deusto.spq.biblioteca.client.gui.  
InfoLibro3
